- BE Mechanical students participated in SAE-India Effy cycle 2016 national level event at Lovely Professional University, Jalandhar, Punjab from 12th to 16th Oct. 2016 under the guidance of Prof. V.V. Doijad and Prof. I. D. More. Our college Team manufactured hybrid tricycle operated by both manually and electrically. Total 125 colleges were participated in this competition from all over India and 14 Colleges participated from Maharashtra. The team got 26th all over India rank out of 105 teams. College gave technical as well as financial support of Rs.54000/-for manufacturing the vehicle. The vehicle was designed and manufactured inside the campus by using workshop facilities under the guidance of mechanical department staff.
